

BREEDER POLICIES & PROCEDURES

- Puppies need to be microchipped or have an I.D. collar with puppy's breed and buyer's complete name and address.
- Puppies need to have food for at least 3 days. Food, toys, or gift bags must be labeled with buyer's name and address along with puppy information.
- Puppies need to be bathed, nails clipped and parasite free.
- As per USDA regulations, we cannot give medications to puppies while in our possession.
- Puppies with any illness cannot be transported. If your puppy gets sick during transit, we will notify the breeder and buyer, and bring the puppy to the nearest emergency veterinary clinic. Breeder will be responsible for veterinary expenses.
- Puppies under 2lbs cannot be shipped.
- We cannot ship aggressive dogs for the safety of our drivers and other puppies.
- If this is a private sale, payment for the delivery of your puppy needs to be made at or before pick up.
- We accept cash, checks, Venmo, PayPal, or credit card (Venmo, PayPal or credit cards add \$25.00 for a processing fee).
- We use the Life360 GPS tracking app. A link is sent to the buyer once all puppy pick-ups are completed.

PICK UP CHECKLIST
